

Cheshire West and Chester Council are running a volunteer finds washing session in the Grosvenor Park Activity Zone pavilion on Saturday 4th August 2018 12-4pm. This is a bookable event, however it is hoped that it will be also be open to visitors.

The session is aimed at those who may not have had the opportunity to engage with archaeological work before so there will be an information table providing information on local archaeology and archaeology groups to participants and members of the public. There will also be an information table for the finds washing project that is running throughout August.

For more information contact:

Julie Edwards, Archaeological Officer

Cheshire West and Chester Council
