

## **Clwydian Range Archaeology Group (CRAG)**

### **Programme of activities for 2019**

Members of Chester Archaeological Society may be interested to know the dates for CRAG field work activities in 2019, including the dates for the summer excavation. CAS members are very welcome to join any of these activities. No previous experience is necessary since training will be given by a professional archaeologist.

All the activities are in the Moel Arthur area which means that the terrain is fairly rugged and exposed, and the access path is steep.

**Field Survey work days:** Saturday 9<sup>th</sup> and Sunday 10<sup>th</sup> March

**Geophysical survey training days:** Saturday 1<sup>st</sup> June to Friday 7<sup>th</sup> June

**Excavation days:** Saturday 13<sup>th</sup> July to Friday 9<sup>th</sup> August

**CRAG Open Day:** Saturday 3<sup>rd</sup> August

If you are interested in any of these activities and would like to know more please contact Hilary Lidbury, CRAG Secretary
